Shathis A/L Mohan

Business Analytics Graduate | Junior Data Analyst | Business Intelligence | Data Analytics | Dashboard Development

+6012-412 8482 | shathismohan066@gmail.com | Nibong Tebal, Pulau Pinang

PROFESSIONAL SUMMARY

Business Analytics graduate with internship experience supporting website development, database management, business reporting, and operational documentation. Hands-on experience in developing dashboards, managing structured data, and preparing analytical reports that support business decision-making. Completed multiple academic projects involving Python, SQL, Power BI, Tableau, and machine learning to solve real-world business problems through data analysis and visualization. Recognized with the Bronze Award in the "5 Minutes Innovative Pitches 2024" competition for innovation and presentation excellence. Passionate about transforming data into meaningful insights and eager to contribute as a Junior Data Analyst or Business Intelligence Analyst.

CORE EXPERTISE

- Data Analysis & Reporting
- Business Intelligence Analysis
- Dashboard Development
- Data Visualization
- Database Management
- Data Quality & Verification
- Predictive Analytics
- Business Performance Monitoring
- Website Administration
- Business Process Documentation

NOTABLE ACHIEVEMENTS

- **Developed an interactive Power BI dashboard** by integrating multiple datasets, enabling real-time student performance monitoring and improved reporting efficiency.
- **Built a machine learning regression model** that successfully predicted sales trends and transformed analytical findings into interactive Tableau dashboards.
- **Awarded the Bronze Award in the "5 Minutes Innovative Pitches 2024" competition** for presenting an innovative business solution with strong analytical and presentation skills.

WORK EXPERIENCE

Data & Web Development Intern Jan 2026 – Apr 2026

Passion 2 Wealth Sdn. Bhd.

- **Website Development & Maintenance:** Supported website enhancement by reviewing backend functionality, updating content and layouts, and verifying website responsiveness to improve user experience across different devices.
- **Database Management & Documentation:** Maintained business records through data verification, document digitization, and structured filing practices, improving data accuracy and accessibility.
- **Business Reporting & Analysis:** Prepared and maintained Excel-based reports, operational tracking files, and expense records, providing management with accurate information for business monitoring and decision-making.
- **Business Operations Support:** Assisted business development activities by conducting market research, preparing competitor comparisons, reviewing SOPs, and supporting documentation for internal and client-related processes.
- **Process Improvement:** Improved document management efficiency by introducing a more structured filing and reporting workflow, enabling faster information retrieval and smoother daily operations.

Shathis A/L Mohan

PROJECT EXPERIENCE

- **Development of a Comprehensive Dashboard for Student Performance Management –** Developed an interactive dashboard using Python, SQL, and Power BI to analyses student performance and provide real-time insights for academic decision-making.
- **Predictive Sales Forecasting –** Built a machine learning regression model using Python and created Tableau dashboards to forecast sales trends and support business planning.
- **Student Management System –** Developed a database-driven application using MySQL and PHP for student registration, grading, and report generation while improving database efficiency through normalization.
- **Responsive Website Development –** Designed and developed a responsive website using HTML, CSS, and JavaScript with an emphasis on usability, mobile compatibility, and clean interface design.

EXTRACURRICULAR INVOLVEMENT

- **Event Committee Member | INTI Tech Club (2024–2025) –** Assisted in organizing technology workshops and seminars while coordinating event logistics and participant engagement.
- **Peer Tutor (Freelance) (2024–2025) –** Provided academic guidance in programming and data analytics, helping fellow students strengthen their understanding of technical concepts.
- **Logistics Coordinator | Hope for Tomorrow: Nourishing Our Futures Community Project (2024–2025) –** Coordinated logistics and fundraising activities, contributing to a successful charity initiative that raised RM455 for Pertubuhan Kebajikan Anak Yatim dan Miskin (PKAYMS).

EDUCATION

Bachelor of Computer Science in Business Analytics 2023 – 2026
INTI International University – CGPA: 2.8

Foundation in Business Information Technology 2021 – 2022
INTI International College, Penang

AWARDS

- **Bronze Award –** 5 Minutes Innovative Pitches 2024, Wealth Wolves Sdn. Bhd

TECHNICAL & SOFTWARE SKILLS

- **Programming Languages:** Python, SQL, PHP, JavaScript, HTML, CSS, R, C++
- **Database:** MySQL
- **Data Analytics & Visualization:** Power BI, Tableau
- **Microsoft Office:** Excel, Word, PowerPoint.

LANGUAGES

- **English -** Fluent
- **Bahasa Malaysia -** Fluent
- **Tamil -** Fluent
